

Search Form Code for InfoSoup

A link to this page is available on the Webmeister How To Files page on OWLSweb at <http://www.owlsweb.info/web/howto.asp>. Open the PDF, highlight, copy and paste the code into your web page where you want the search form to appear.

The search form will look like this:

Keyword Title begins with Author Subject

Add an InfoSoup logo if you so choose.

The Code

```
<form class="mainsearchbox" action="http://www.infosoup.org/search/a?a"
method="post" name="search" id="search">
<p class="radiosearch">
<label for="keyword">
<input name="searchtype" type="radio" value="Y" id="keyword" checked />
Keyword </label>
<label for="title">
<input name="searchtype" type="radio" id="title" value="t" />
Title begins with </label>
<label for="author">
<input name="searchtype" type="radio" id="author" value="a" />
Author </label>
<label for="subject">
<input name="searchtype" type="radio" id="subject" value="d">
Subject</label>
</p>
<p>
<input maxlength="75" name="searcharg" size="25" />
<input name="SORT" value="D" type="hidden">
<input type="submit" name="Submit" value="Search InfoSoup" class="searchbutton">
</p>
</form>
```
